

Eagan Mayor, City Council and City Staff

Don't quit the Course on the 18th green.

**Please don't walk off before the round is complete.
Why fail your supporters now?**

Carriage Hills golf course and Eagan's Comprehensive Plan is worth fighting for. The League of Minnesota Cities, the Metropolitan Council and Citizens of Eagan have supported efforts to preserve this open space and the integrity of the Comprehensive Guide Plan and zoning process. If the City settles, it could mean no one can rely upon the zoning or comprehensive plan process. Plus, there is a legitimate group attempting to purchase and maintain this property as an asset to the quality of life and property values in Eagan.
